

JCMT Workshop Summary

- **Workshop well attended: New Vibrant Community in place since 1 year ago**
- **Broad Science being covered**
- **Emphasis is on Wide-Field Imaging (10,000 pixels)**  *with signal*
- **JCMT is a new facility for EA regions**
- **EAO Community is “new blood” for JCMT**
- **People = Brain Power, is the most important Asset**
- **Large Programs going well**
- **VLBI may be, will be, very important**
- **We will improve the instruments by factor of 10**

- **impression: good community in place with broad agenda and ready to compete!**
- **next meeting: Korea in 2018**

Charges to the Community

- **Organize, Organize, Organize**
 - **Collaborate across the regions: increase manpower**
 - **Must Publish at “significant benchmarks”**
 - **Send young people to the Instrument: hands-on training**
 - **Assert your “Ownership” of JCMT**
 - **Push the Instrument Requirements: make us respond**
 - **Push your Support Requirements: make us respond**
 - **Improve Quantity of Science**
 - **Improve Quality of Science**
 - **New Programs should be Aggressive and Multi-Purpose**
 - **JCMT is just “one” of the EAO facilities**
 - **EAO/JCMT is here to serve your Interests and your Future**
- be clever, fully utilize large time*
-
